[REDACTED] Dewitt White, Minority Counsel, House Internal Security Committee, called to ask whether Richard Fecteau could be available to appear before the Committee. I said this was quite premature at this time, and I had no idea as to when such an appearance would be possible. However, I said we would make a note of the request and be in touch with him as soon as we were able to give him an answer. I said so far as I was aware no other congressional committee had made such a request.
